CURRICULUM

The Lower Elementary students aged 6-9 years, have begun the expansion of the mind and imagination that takes in the whole world. They amass facts and continue to build for themselves a solid educational foundation. Skills in classification are developed in all academic areas: geometry, geography, needs of man, biology, art, music, and phonics. Basic skills in math are practiced daily and reading and writing threads that run throughout the entire curriculum. The transition from concrete to abstract takes place at this age and imagination flourishes.

MEALS AND SNACKS

Nutrition is very important to us at Montessori Academy of Upland. Montessori Academy of Upland offers a hot lunch program which is at an additional cost to the school's tuition \$4.75 little kid/ \$5.40 big kid portion per day (subject to change). Parents can bring their child's breakfast and lunch daily. When children are eating breakfast at school, parents are asked to provide 3 food groups and all packed lunches should consist of 4 food groups. Snack is scheduled on a rotating calendar where the student will be assigned one day each month to bring snack for the class. Parents will be notified of the items needed the week prior to the next month.

EXTRA-CURRICULAR SCHOOL PROGRAMS

We offer a variety of extracurricular activities for enrolled students, including soccer and dance, with additional options available based on student interest. These classes are led by qualified staff members or external vendors and take place once a week during school hours, typically at 2:00 p.m. Participation requires an additional fee, which is paid directly to the provider or instructor. To explore all available activities and sign up, please visit our website or speak to one of our office administrators.
